

PLATEAU RED ANGUS HERD BULLS

The following Bulls will be offered in the April 4, Sale.

These are all registered bulls and their pedigrees are available to be reviewed on the LIVESTOCK EXCHANGE website. All come with a satisfactory potential breeder classification on their BSE. All the bulls over 18 months of age have tested negative for Trich. These documents and their registration will be transferred to the buyer. We plan on having the bulls in Brush Wednesday afternoon. I will be available Thursday morning to visit should you have any questions.
